

Judo Ontario Inclusion Policy

Approval Authority	Board of Directors	_____ March 21, 2017 Date
--------------------	--------------------	---------------------------------

Policy Statement

Judo Ontario is committed to equity and access for all persons interested in practicing judo in Ontario, within the confines of the International Judo Federation (IJF) rules.

To support participation and the pursuit of excellence in judo, this policy and all Judo Ontario programs support inclusion, particularly for the under-represented populations of Ontario, including women and girls, children in low income families, Indigenous people, people with disabilities, older Ontarians, newcomers to Canada and members of the LGBTQ community.

Judo Ontario is committed to ensuring equal and fair opportunities for women and girls to participate in judo and have equal access to governance, programming, training and coaching.
