

## **Karl Doherty Resume Vice President Technical**

I have been active in judo for over 53 consecutive years, I currently hold the rank of Rokudan (6<sup>th</sup> degree black belt) and I am active in judo in every conceivable way. I have held the position of VP Technical for Judo Ontario for the past 4 years. During this time I have been able to work collaboratively with the Judo Ontario Board and staff to successfully implement an extremely successful High Performance Program, a Grading Board that is transparent and fair to all Judo Ontario members, with an open policy. Our NCCP program continues to deliver coaching certification to our members across the province. I have also been called upon to chair the Ontario Open and Ontario Youth International events for the past 4 years.

I look forward to volunteering my time and expertise for another 2 years as VP Technical for our Judo Ontario members. Please take the time to vote and attend the AGM this September. Below is a brief judo resume.

Respectfully

Karl Doherty
