2016 Judo Ontario Camp Development Program

Project:

In order to improve the level of Judo across Ontario long term, it is important to support U14 & U16 development judo camps during the summer.

The goal of the program is to provide financial assistance to Judo camps run by Clubs across Ontario that provide opportunities to Ontario U14 and U16 athletes in 3 key areas of expertise: nutrition, strength training and Judo technical education.

Funding for 2016 will be based on specific criteria as outlined below. Not all camps are guaranteed financial assistance and funding will only be provided when the criteria for selection has been clearly outlined and satisfied, and a full report at end of the camp has been submitted.

Requisites:

- Camp must run in the summer months. July 1st to August 31st of 2016
- Camp must be sanctioned by Judo Ontario
- All Camp participants/judo instructors and assistants must be paid up members with Judo Ontario or affiliated organizations.
- A level 3 certified Coach must be the head instructor of the camp
- Camp must be at least 5 consecutive days in duration
- There must be a focus on (U14/U16) athletes from Ontario (10-20 athletes).
- Camp activities must be pre-planned and submitted with this request for funding
- There must be at least 2 Judo practices per day, plus at least 1 other physical component.

Application Process:

In order for your camp to be considered for funding:

Completed applications must be submitted to the Judo Ontario office (info@judoontario.ca) by 5 p.m. on Tuesday May 31, 2016

Funding will directly assist in the development of Judo Ontario U14/U16 athletes.

Funding priority will be given to camps that support the Judo Ontario Youth Program (e.g. Judo Ontario Youth Academy, Judo Ontario Talent Development Camps, the Judo Ontario Youth League)

Before payment is made, Judo Ontario must receive a comprehensive report of camp activities, including number of participants, number of athletes from Ontario and age group attending the camp, number of U14 & U16 athletes, duration and hours of the camp, cost per participant to attend the camp, and a full report outlining the activities.

Submit your report to Judo Ontario no later than 5pm on September 9th, 2016.
