

# Calling All Black Belts!

Registration for the 2020 Annual General Meeting (AGM) is open. As a reminder, the 2020 AGM will be online only via webinar format due to COVID 19. A strong internet connection and headphones are recommended.

As in previous years, only black belts in good standing may register for the webinar due to the voting needed on items during the meeting (called polling in the webinar system). However, black belts that can host a socially distanced viewing party (eg. google hangout video or other service where you can share your screen while watching the webinar). Please contact your local teenager for technical support on this if needed.

**Mobile Access!** That's right, for those that are unable to attend via a desktop/laptop, GoToWebinar has a mobile app that can be used to attend the webinar via smartphone or tablet. The app can be downloaded from your devices app store. Additional charges from your wireless provider may apply if you're using mobile data instead of wifi. Again, please contact your local teenager for technical support on this if needed.

See below the link to access the registration page for AGM webinar
