This notification must include the projected date by which the athlete is able to return to competition, and must include proper documentation from a Judo Ontario approved medical doctor.

All other conditions hereto set forth must be met and a full application form must be submitted.

Athletes may be considered for nomination under the following circumstance:

The athlete has fulfilled all reasonable training and rehabilitation requirements aimed at a speedy return to full high-performance training and competition during the period of his or her injury, illness or pregnancy.

HPC approval, based on its technical judgement and with the prognosis of a Judo Ontario team physician or equivalent, who indicates in writing the expectation that the athlete will achieve at least the minimum standards required for Quest for Gold carding or team placement during the upcoming carding period.

The athlete has demonstrated and continues to demonstrate his or her long-term commitment to high-performance training and competition goals, as well as his or her intention to pursue full high-performance training and competition throughout the carding period for which he or she wishes to be renewed despite not having met the carding criteria.

If an Ontario Team athlete became injured and was unable to compete in part of the previous competitive season due to injury, the athlete could be considered for nomination, based on prior seasons’ ranking up to the time of the injury, so long as they meet the following:

Notification - They must have sent written notification and proof to the Judo Ontario office as soon as they became injured, and before September 1 of each season. This notification must include the projected date by which the athlete is able to return to competition, and must include proper documentation from a Judo Ontario approved medical doctor.

Eligibility – To be considered under the Injury, Illness or Pregnancy clause, an athlete MUST have been either Nationally Carded or on the Quest for Gold program 2018-2019. Athletes cannot be carded under the Injury, Illness or Pregnancy clause two years in a row.
