## 2021/22 Season Pandemic Discount for 2020/21 Members

Judo Ontario's official refund policy is still in effect. However, in recognition of the limitations the COVID 19 Pandemic has placed on the 2020/21 season, Judo Ontario has decided to offer members who registered for the 2020/21 season a 30% discount on the Judo Ontario portion for the upcoming 2021/22 season.

### Eligibility & Limitations

- Does not apply to Judo Canada portion of fees.
- Members must be registered for the 2020/21 season in Trackie by **May 31, 2021**.
- 2020/21 Judo Ontario members who registered with the Judo Ontario family discount will register for the 2021/22 season individually with the regular member 30% discount and not with the 2021-22 Family discount.
- Dojoshus who were registered for the 2020/21 season are also eligible for the 2021/22 discount but must register themselves and their club before their members can take advantage of the discount.
- Eligibility to apply for the discount ends **August 15, 2021 at 11:59pm** (hard copy submissions must be received with the daily mail delivery on August 16, 2021, no in-person deliveries to the office for hard-copy registrations)

### How to Apply

The Trackie system does not allow assigning discounts based on previous year's membership so registrations must be manually put through the office. As such, 2020/21 paid members who wish to take advantage of the discount for the 2021/22 season must apply to the office prior to **August 15, 2021**.

Applications are made by submitting **special registration forms** and waivers (which are available online in the [COVID Information Centre](#) page) for the 2021/22 Season to the office. Hard-copy submissions must include either a cheque or credit card information to make the payments. **Do not send credit card information via email.** All forms must be signed. Digital pictures of signed forms are acceptable via email.

### Table of Fees

See the Table of Fees below for the members eligible to receive a discount for the 2021/22 season.
